Cum Laude

Work History

FRAMESTORE

Junior Lighting Technical Director | March 2022 - Current

- Responsible for lighting integration on episodic and commercial jobs. Occasionally tasked with generalist work and documentation.

MONOLITH VIRTUAL PRODUCTION / AURA FX

Contract Texturing and Look Development Artist | June - Oct 2021

- Created a library of easy to use photorealistic texture presets that match reference images. Textured assets within the pipeline and used scan data to create photorealistic real-time environments.

INTUITIVE SURGICAL INC.

Product Rendering Intern | June - Sept 2020

- Worked remotely to texture a CAD created asset to match photo reference. Created a studio lighting setup and 4k commercial ready renders.
